

# IMMIGRATION MEDICALS

## CANADA (eMedical)

Please arrange an appointment by telephoning our practice on 069/72 22 22.

Note: For females, the medical examination should not be scheduled during menstruation.

You must be able to communicate fluently in German or English, otherwise you must arrange for an independent interpreter to be present. The interpreter can **not** be a family member!

Applicants for student visas or permanent residency need to bring to their appointment:

- Medical Report IMM1017 E (Client Biodata and Summary) with your IME Number on it. As an **Upfront Medical** Applicant you do **not** need to bring this form.
- A currently valid passport (photocopies are not accepted!)
- Eye glasses if worn
- Medical reports and/or prescribed medication (relating to already diagnosed medical conditions)
- Vaccination record, if available

Medical examination consists of four parts:

- A physical examination (Note: you need to undress to your underwear.)
- Chest x-ray (applicants from 11 years on)
- Non-fasting blood test (applicants older than 15 years on)
- Urine test (applicants from 5 years on)

Please allow 2-3 hours for physical examination, x-ray, laboratory tests and the recording of your data in eMedical.
