

IMMIGRATION MEDICALS

Dr. med. H. Schulte, Dr. med. J. Abel und Dr. med. K. Jahn are licensed to perform medical examinations for USA, Canada, Australia and New Zealand.

For further information please contact our office by email: sekretariat@abel-schulte.de or phone: **069 97204316** between **12.00 and 14.00 o'clock**.

United States (emmedical and/or paper-form)

Please arrange an appointment for your examination by phone: **069 71 44 77 10**. We perform the examination on Monday, Tuesday and Thursday from **07.30** until **11.00** o'clock.

Please note: We do not offer open access consultations on a walk-in basis any more. For organizational reasons, you must make an appointment for the examination from now on.

United States Immigrant Visa applicants need to bring to their appointment:

- A currently valid passport
- 4 identical passport size photos which are less than 3 month old
- Proof of vaccination history if available
- Medical reports and/or prescribed medication (relating to already diagnosed medical conditions)
- Documents from the U.S. Consulate with Case Number if available

United States Non-Immigrant Visa applicants need to bring to their appointment:

- A currently valid passport
- 4 identical passport size photos which are less than 3 month old
- Documents from the U.S. Consulate
- Conviction history from Ministry of Justice, if relevant
- Vaccination record, if available

Medical examination consists of four parts:

- Physical examination
- Chest x-ray (not required for applicants younger than 15 years)
- Non-fasting blood test (not required for applicants younger than 15 years)
- Urine test (not required for applicants younger than 15 years)

Fees

	Immigration Adults	Immigration children under 15. years	Non Immigrant Visa DUI
Physical examination	€ 210,66	€ 121,03	€ 210,66
Chest x-ray	€ 44,07	/	€ 44,07
Taxes	€ 40,03	€ 23,00	€ 40,03
Separate costs for Laboratory	approx. € 130,00	/	approx. € 100,00 – € 200,00

Chest x-ray is required for all pregnant US Immigrant Visa applicants, without exception. You can of course defer your medical until after the end of your pregnancy if you do not wish to have the x-ray. There is no waiver available for pregnant women!

Please allow 2-3 hours for the physical examination, chest x-ray and blood test. Approximately 2 days after your examination we will receive your blood test results and complete your medical which is then collected by a courier service who will deliver the documents directly to the consulate.

Proof of the following vaccinations is required:
(You should discuss your vaccination status with your family doctor)
