United States

Important: Please note the following changes:

1. All applicants (!) must have had a polio vaccination within the last 12 months.

2. A COVID vaccination is no longer required by the CDC.

If possible make an appointment with us after having completed you vaccination status. We can only forward the medical to the US authorities with your completed vaccination documents. The process is then on hold until we receive your complete vaccination documents! Please keep in mind: The maximum validity of your medical of 6 months after the appointment.

Please book your appointment by using *Doctolib* and fill out all required forms in advance (see button on the right-hand side of this page)!

For more information see: https://www.cdc.gov/immigrantrefugeehealth/laws-regs/vaccination-immigration/revised-vaccination-immigration-faq.html

https://www.cdc.gov/immigrantrefugeehealth/pdf/Vaccine-Requirements-According-to-Applicant-Age-p.pdf

United States Immigrant Visa applicants need to bring to their appointment:

- A current travelling passport
- Proof of vaccination history if available
- For K1-visa you need to bring 4 passport-photos
- Medical reports and/or prescribed medication (when suffering from a serious disease)
- Paperwork from the U.S. Consulate with Case Number if available **(DS-260 od DS-160 confirmation page)**

United States Non-Immigrant Visa applicants need to bring to their appointment:

- A current travelling passport
- For DUI and K1- visa 4 identical passport size photos which are less than 3 months old.
- Paperwork from the U.S. Consulate
- Conviction history from Ministry of Justice, if relevant (for DUI)
- Vaccination record, if available

Medical examination consists of four parts:

- Physical examination
- Chest x-ray (not required for applicants younger than 15 years)
- Non-fasting blood test (not required for applicants younger than 15 years)
- Urine test (not required for applicants younger than 15 years)

A chest x-ray is required for all pregnant US Immigrant-Visa applicants, without exception. You can defer your medical until after the end of your pregnancy, if you do not wish to have the x-ray. **There is no waiver available for pregnant women!** Please allow 2-3 hours for physical examination, chest x-ray and blood test.
